

Mark your calendars!
June 14th is the start date.

To better serve its residents, the City of Coral Gables begins new recycling pickup routes which means a possible change to your household's recycling collection day.

To find out when your recycling will be picked up, scan QR code.

Let's keep the City Beautiful, beautiful.

Note: this will not affect the days your garbage or outside trash is picked up.

For more information, call 305-460-5346 or visit www.coralgables.com/recycling.
